Southwestern Planning Commission

...

The STC is updating the 12-year plan for transportation improvements in the Pennsylvania Department of Transportation and will be approving funding next year for projects for the years 2005 through 2008.

...

Also proposed was a need to develop a traffic circle at the intersections of Fifth Street, Fifth Avenue and McGregor Street near Indiana Area High School. Lillian Clemons, director of the Chevy Chase Community Center, said a traffic circle would slow down the traffic that comes together there from all directions, presenting a danger for children who walk and ride bikes to the high school and junior high. Clemons said money also was needed to provide sidewalks and to designate biking areas in the Chevy Chase neighborhood.
